

THEODORE LEE

Skilled Web Developer, Manager

📞 770-331-1903 @ ted@tedlee.net 🔗 http://theodorelee.com 📍 Atlanta, GA

SUMMARY

Experienced technical manager looking to lead teams and build the next great thing.

EXPERIENCE

Technical Manager

Consumer Reports

📅 01/2017 - Present 📍 Remote in Atlanta/located in Yonkers

Non Profit Consumer Advocacy

- Collaborated with product owners to define development requirements, converting asks into actionable Jira tickets.
- Conducted thorough code reviews and managed pull requests to maintain high code quality and team collaboration.
- Authored comprehensive documentation for internal systems to support team efficiency and knowledge sharing.
- Coordinated and managed offshore resources across multiple time zones, ensuring effective communication and project alignment.
- Developed the Consumer Reports Design System, leveraging StorybookJS, React, Svelte, Sass, and Tailwind to create a cohesive and scalable component library.
- Designed and implemented the Consumer Reports Chrome Extension, utilizing ReactJS and Chrome APIs to enhance user accessibility and functionality.

Lead Web Developer

Nucleus Global

📅 07/2015 - 01/2017 📍 Atlanta

Medical Marketing, Software Development

- Built numerous self-contained applications using HTML/CSS/JavaScript (Angular 1), running on NodeJS backends.
- Deployed applications on large 70" touchscreen televisions at Medical Trade Shows.
- Managed team of developers and conducted code reviews.

Technical Manager

Time, Inc.

📅 10/2013 - 05/2015 📍 Atlanta/New York City

Online and print publisher

- Increased website traffic by {23%} by leading a team of {8} developers to rebuild SI.com and SIKids.com.
- Managed and developed tent-pole projects like Swimsuit, NBA Draft, March Madness, Olympics and Game Day experiences for NFL, MLB, NBA and NCAA.
- Migrated content library from Turner proprietary CMS to Drupal.

Technical Manager

Turner Broadcasting

📅 08/2011 - 10/2013 📍 Atlanta
